Capo 2

G

Nay e ah — oh way oh away x 2 Home

G

A

I left my home, on my own with an old suitcase

And a hopeful heart, for a brand new start in a foreign place

C

B

Am

C B Am

Then out of the blue... I found you

G

A

Home is with youwith you

With you Wherever I'm with you ... feels like

B

C

D

B

C

D

Home home home Home home home.....Feels like

There was war in my town , can't stay around... we had to leave

Run and hide just to survive but we still believed

There was a place, A place to be safe

With youwith you

With youWherever I'm with you ... feels like home
